Phone: 712-328-5638

Beautify your yard and save energy from the Iowa Department of Natural Resources Residential tree Distribution. Trees retail for \$65 or more, but Iowa residents can purchase them for just \$30! In addition to being beautiful, properly placed trees shade your home in summer and block the wind in winter. Advance purchase is recommended. You may order up to two trees. **Trees must be picked up on Saturday, April 27 between 8:30am and 10:30am at the Harrah's Casino (1 Harrah's Blvd, Council Bluffs).** Any trees not picked up by 10:30am on distribution day will be considered a donation to the Pottawattamie Conservation Foundation. In the event that unsold trees are available on distribution day, they will be released for purchase at 8:30am on a first come/first served basis or until all trees are sold.

Trees are non-refundable, exchange cannot be accepted, and plant material is under no warranty and/or guarantee. For maximum energy savings, plant shade trees within 30 feet of the east and west of your home, Plant evergreens as a windbreak on the north and west of your home. Contact Iowa One Call at 1-800-292-8989 or iowaonecall.com at least three business days before you dig. They'll send someone to locate underground utility lines for you. This is a free service.

Attend a short, free workshop to learn the best way and place to plant a tree. The workshop begins at 9:30am on pickup day. Register by emailing gabriele.edwards@dnr.iowa.gov.

500 trees are available for purchase, with at least 10 trees per species. Shade trees are five to eight feet tall in containers. Conifers and ornamentals are three to five feet tall in containers. Choose from the species below:
